- Indicator of success with flu shot recall for asthma patients
- Asthma patient is considered "Up-to-Date on Flu Shot" if:
 - Patient was diagnosed with asthma in past three years AND
 - Patient was given a flu injectable or mist **in your office** during most recent flu season (8/1 - 4/30)
- Listing of overdue patients is also available and helpful for recall
- Patients with "Inactive" flags (on patient or guarantor record) are omitted
