RECALL PATIENTS FOR PHYSICALS

Reminding patients and families about their physicals is good for your patients and good for your practice!

A healthy patient is a happy patient!

RECALL PATIENTS FOR PHYSICALS

Select "Include by Date of Physical Due"

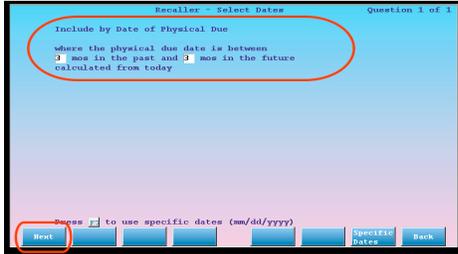

Recaller - Criteria Selection

Build a list of patients based on the following criteria:

Include by Date of Physical Due

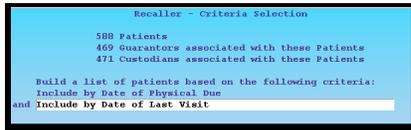

RECALL PATIENTS FOR PHYSICALS

Enter the date range that will include patients who have recently missed their physical due date and / or those for whom the time for a physical is approaching (A patient's next due physical date is set, based on your office's custom physical schedule, whenever they are billed for a Well Child procedure)

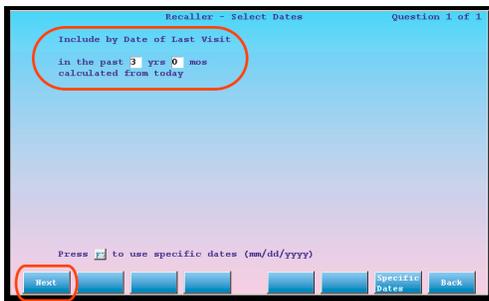

RECALL PATIENTS FOR PHYSICALS

Let's narrow down this list for active patients only:

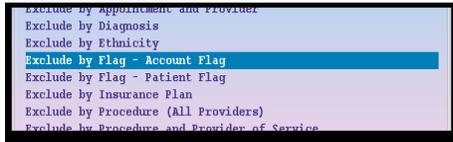

RECALL PATIENTS FOR PHYSICALS

Let's say patient's who have visited in the past three years:

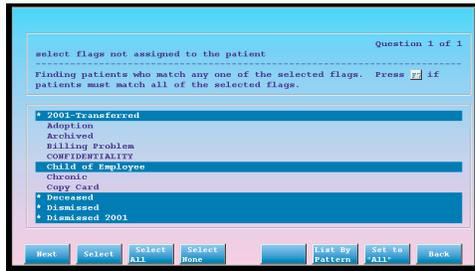

RECALL PATIENTS FOR PHYSICALS

Let's exclude patients that are no longer yours:

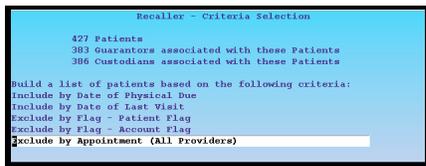

RECALL PATIENTS FOR PHYSICALS

Use the two "Exclude by Flag" criteria to remove Inactive, Dismissed, Deceased, and / or other sets of patient and account flags that you do not want to recall:

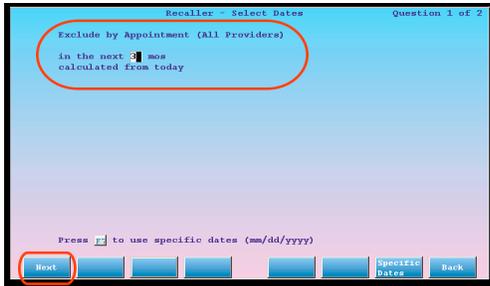

RECALL PATIENTS FOR PHYSICALS

Exclude by Appointment Criteria to Avoid Patient's who are already scheduled for their Physical:

RECALL PATIENTS FOR PHYSICALS

Exclude by Appointment Criteria to Avoid Patient's who are already scheduled for their Physical:

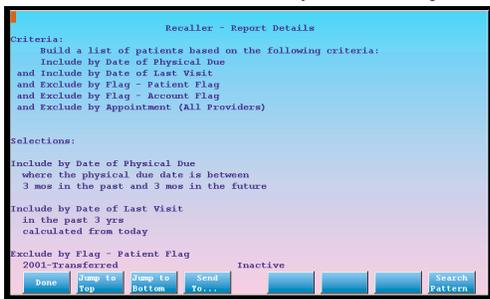

RECALL PATIENTS FOR PHYSICALS

Exclude by Appointment Criteria to Avoid Patient's who are already scheduled for their Physical:

RECALL PATIENTS FOR PHYSICALS

At any time, press <F5> "Report Info" to review the specific details you have entered for each criteria in your recaller report / list:

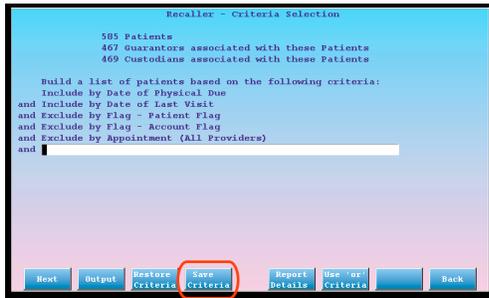

RECALL PATIENTS FOR PHYSICALS

You can press <F4> to save and restore your criteria settings for this report if you like it so you do not have to take the time to build it again next time you want to recall patients for physicals due.

Press <F2> to select your desired output for this report / list.

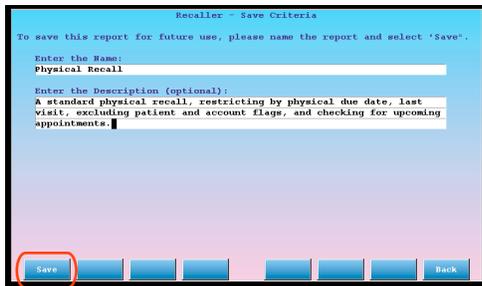

SAVE & RESTORE LIST SETTINGS

Press <F4> after entering your criteria to save your list:

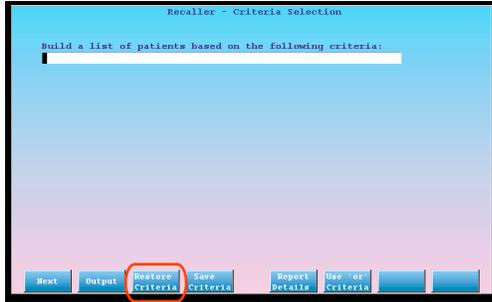

SAVE & RESTORE LIST SETTINGS

Name your report / list and add a description so you know what this list is and then press <F1> to save it:

SAVE & RESTORE LIST SETTINGS

Press <F3> to “Restore Criteria”:

SAVE & RESTORE LIST SETTINGS

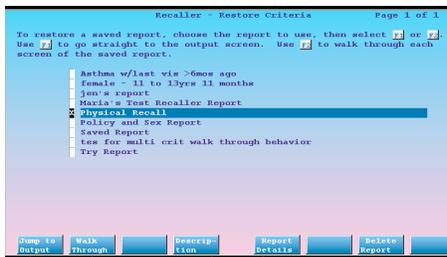

Select which saved report / list you'd like to use:

If you can't remember what the report is for you can press <F4> and / or <F5> to read the description or see the criteria details:

SAVE & RESTORE LIST SETTINGS

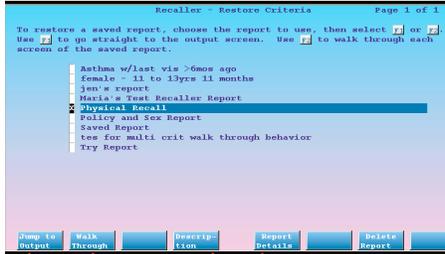

Press <F1> to “Jump to Output” and go directly to the report's output options:

SAVE & RESTORE LIST SETTINGS

Press <F2> if you'd like to "Walk Through" to tweak it and make any slight changes

Press <F7> to delete any reports / list that you no longer need
