POSTING CHARGES WITH SNAP CODES

- If the snap code causes the list of procedures to go off the edge of the page, you can review additional procedures by pressing $<\!F3\!>$

POSTING CHARGES WITH SNAP CODES

• You can press <F3> to toggle back to the initial list of procedures

POSTING CHARGES WITH SNAP CODES

- Changing, deleting or re-entering Snap Codes
 - Once you activate a snap code you can edit the individual procedures and diagnoses that are linked to that snap code
 - If you've activated a snap code by mistake you can simply move the cursor to the procedure fields that you don't want and use the "END" key to wipe them out

Pediatric Software Just Got Smarter. Your Practice Just Got Healthier.

ADDING SNAP CODES TO CHARGE SCREENS

• Charge Screen Editor ('csedit')

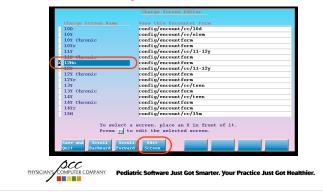

DCC TOMPUTER COMPANY

PHYSICIAN'S
