IMPORTANT MESSAGE TO ALL OUR PATIENTS

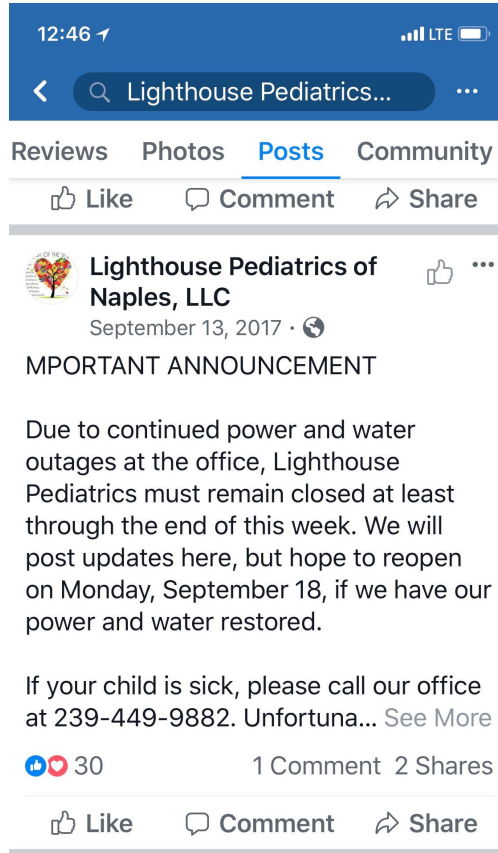

The physicians and staff at Lighthouse Pediatrics will do everything in our power to be available to our patients. However, conditions in severe weather such as power and cell phone outages may keep us from retrieving or returning our messages. If you are unable to reach us, you may call the NCH pediatric department at 239-552-770... [See More](#)

**IMPORTANT ANNOUNCEMENT**

Due to continued power and water outages at the office, Lighthouse Pediatrics must remain closed at least through the end of this week. We will post updates here, but hope to reopen on Monday, September 18, if we have our power and water restored.

If your child is sick, please call our office at 239-449-9882. Unfortuna... [See More](#)

For those who have asked-Dr Shepard just spoke to a family in Chokoloskee and the immediate needs are for box fans, air mattresses with sheets and towels. We will post other needs as they come up from there, Immokalee and other hard hit areas.

You may bring any items to the office and we will make sure they get to the right place. Thank you!!

Hurricane Harvey Update:

Due to devastating floods throughout our area, we will be closed tomorrow (Monday) as our city, staff and providers recover from the storm. We will continue to update daily until we're back to full operations. Thank you for your understanding. Thoughts and prayers to all those affected by the storm!

Our providers are available for urgent needs 24/7 throughout this time through our answering service.

We know you may have an appointment during this time and we will do our very best to reschedule you as soon as possible! Please be patient as power outages and staff shortages may cause some delays in communication.

Be careful and keep your family safe! If there is anything the Pearland Pediatrics family can do for yours, please let us know!

Pearland Pediatrics will open today from 12-5 for ANY pediatric patient we can help with urgent needs or concerns. You do not need to be a Pearland Pediatric patient! Call us starting at 11:30 today and we will get you in! If you are at the Pearland High school, we will send providers there as well! Please SHARE with anyone you think has a child in need that can get to our clinic! Call at 281-485-9990.

### Hurricane Harvey Update:

Great news! We will be up and running tomorrow! We will see all scheduled appointments, however we have decreased staff so you might be seen by a different provider. If you have a scheduled appointment and are unable to make, please call and we can reschedule your appointments. There will be no walk in clinic until further notice, so please call and we will schedule an appointment for your child. Office hours will be 8:20-12 & 2-5. We still want to help any patients that are non Pearland Pediatric patients until your pediatric office is able to help again.

Thank you so much to our amazing staff and their families who were able to come out today to the clinic and shelters and help so many kids in need! You are amazing and we are so glad you are a part of the Pearland Pediatric Family! Thank you!

Our thoughts and prayers continue to go out to those families that are affected by the storm. God bless!

Pearland Pediatrics is up to full operations tomorrow! Walk in clinic will be open and will start at 8 AM. We will continue to see any patients who are unable to see their own providers for Urgent needs only and by appointment only. Please call to make those appointments. We hope you and your families are recovering well from the storm!
