

# Soup to Nuts:

## Pediatric Visit of the Future with PCC EHR

Jim Leahy  
2019 Users' Conference  
Burlington, VT

# Agenda

- Review the newest features of PCC EHR
- Show an end-to-end approach (soup to nuts) of:
  - Receiving appointment requests via the Portal
  - Scheduling with the Appointment Book
  - Checking in a patient
  - Reviewing a chart and charting a visit
  - Following up after a visit, using the Portal
- Discuss how to integrate these features into your workflows today

# Goals

Participants will:

- Build familiarity with the newest features of PCC EHR and other software elements (e.g. Pocket PCC & Patient Portal)
- Learn how to use the integrated practice management & One PCC features in PCC EHR to optimize your processes

# Wrap Up & Questions
