COVID-19 Billing and Coding

[CMS announced "payment is available" for E&M codes for counseling for COVID testing.](#) Must document discussion of:

- Need immediate isolation, even before results available
- Should inform immediate household/contacts that they may wish to be tested and quarantine as well. Review locations and people they have been in contact with in the past two weeks.
- Signs and symptoms of COVID-19
- If positive, they will likely be contacted by a public health worker and asked to provide a list of the people they've been with for contact tracing, encourage them to 'answer the call'.
- Discuss services that might help the patient successfully isolate and quarantine at home.
