00:33:04 Vanessa M, Pediatric & Adolescnet Care. Tulsa, Ok.:
If we submit a PA and it is denied, then the pt. pays cash or
uses a copay card or something, will we continue getting PA requests
the following months or will the system see the prior denial?

00:35:48 Vanessa M, Pediatric & Adolescnet Care. Tulsa, Ok.:
Got it! I was just wondering if the PA request would continue
showing up in the Rx Queue every month when we send in the refill.

00:36:25 Vanessa M, Pediatric & Adolescnet Care. Tulsa, Ok.:

needed it for calling in. That 85084235352 number in the link I just

for each eRx drop in!

01:19:34 Vanessa M, Pediatric & Adolescnet Care. Tulsa, Ok.:
If a PA is denied, will the appeal be sent from PCC as well?

01:24:26 rhorne: Did I miss date for next time?
