

00:20:43 kfp: Can someone tell me how to raise my hand? It is not showing up in my zoom.

00:21:38 Sarah Gliech (she/her) (PCC): Replying to "Can someone tell me ..."

Sure! Click the react button in the tool bar at the bottom of the window and, then click the "Raise Hand" button

00:21:39 Jen Marsala (PCC): In my version of zoom, I have a heart icon named "React" and the option to raise my hand is in there.

00:21:53 Sarah Gliech (she/her) (PCC): Replying to "Can someone tell me ..."

You can also unmute and jump in 😊

00:25:09 Kat Duncan @ North Augusta Peds: Is there a way to create favorite combos? (Such as prescribing inhaler & spacer at the same time?)

00:26:16 Sarah Gliech (she/her) (PCC): Replying to "Is there a way to cr..."

Great question! We'll make sure to address it with the whole group!

00:33:40 Sarah Gliech (she/her) (PCC): Replying to "Is there a way to cr..."

I'll go to you next, Kat 😊

00:49:16 Kat Duncan @ North Augusta Peds: Yes, thank you

00:49:18 Kat Duncan @ North Augusta Peds: you

00:57:23 rhorne: I have to sign out for now. Thank you guys!!!

00:57:40 Sarah Gliech (she/her) (PCC): Thanks for joining!

01:10:00 Kat Duncan @ North Augusta Peds: We need admin privileges to edit rx sentences?

01:10:11 Kat Duncan @ North Augusta Peds: Or can that be customized by provider?

01:48:39 Kat Duncan @ North Augusta Peds: Can you show how to prescribe with the 3 month option for ADHD stimulants? Eg methylphenidate

01:51:30 Kat Duncan @ North Augusta Peds: Thank you!

01:53:19 Kat Duncan @ North Augusta Peds: EPIC definitely has this option

01:53:40 Kat Duncan @ North Augusta Peds: At my old hospital, we had mixed results with pharmacies like you say

01:58:24 Kat Duncan @ North Augusta Peds: Thank you for this session! I am heading out now.

01:58:36 kfp: Thank you.
