

00:31:35 Lisa Callahan: Love my pocket prescribing
00:32:20 Lisa Callahan: Have used several times! Not yet using
inthe rooms, but thinking about it
00:32:33 Sarah Gliech (she/her) (PCC): Reacted to "Love my
pocket presc..." with ❤️
00:36:33 Raelene Horne-Coastal Children's Clinic: I
cannot wait!!!!
01:00:49 Raelene Horne-Coastal Children's Clinic: Is it
the same for Concerta?
01:02:21 Raelene Horne-Coastal Children's Clinic: the
one we send has Concerta in parenthesis and the pharmacy still refused
to fill.
01:03:20 Raelene Horne-Coastal Children's Clinic: It is
ok. It just makes it difficult!
01:03:20 Dewey Howell (PCC): Yes, we've heard that ... I lot
variability in the FDB drug data and variability in how pharmacies
treat them
01:07:06 Lynn Peters: When the pharmacy wants to be
difficult in this situation, we tell them that we will advise our
patients to go elsewhere-sometimes that works

01:20:34 Raelene Horne-Coastal Children's Clinic: I will
be there this year!
01:21:08 Raelene Horne-Coastal Children's Clinic: Yay!!
01:21:18 Pediatric Associates of Fall River: Thank you - I
sat in today for the first time as a nurse at PAFR. Wanted to listen
in to see if there were any ways I could help my providers. I have
been to the PCC UC 7 or 8 times over the years but not sure about this
year yet. thank you.
01:21:27 Lynn Peters: Thank you!!
