*So What  
Happened?*

# *So What Happened?*

Last month, Jen of Northpointe Pediatrics asked:

*I have been unable to get HAP or BCN to pay for the admin code 96380 that goes with 90382 (Enflonsia). I've tried everything I can think of. Has anyone else had this issue or have any information or suggestion?*

A suggested solution last Drop In was that BCN wanted the NDC from the packaging and not the drug itself.
