

# Order Workflow Roundtable

Jim Leahy, Sarah Bunning,  
Carrie Gillander, & Jim Smith  
PCC 2017 Users' Conference

# Order Workflow Roundtable

## Goals of this Course

- Discuss and share with one another your unique practice workflows.
- Review best practices and ways to configure Partner and PCC EHR to optimize your workflows.

# Order Workflow Roundtable

## Activity 1

# Order Workflow Roundtable

## Activity 1

Each group will brainstorm (on paper) workflow questions for discussion.

Workflow examples might include: lab order placement, requisitions, & results; screening order review and result notation; referral tracking and follow-up.

# Order Workflow Roundtable

## Activity 2

# Order Workflow Roundtable

## Activity 2

Each group will identify 3 topics on the whiteboard that you will discuss in depth in your group.

# Order Workflow Roundtable

## Activity 3

# Order Workflow Roundtable

## Activity 3

Each person will identify up to 3 additional workflow questions they have.

We will review these as a group and select topics for further discussion.

# Order Workflow Roundtable

## Wrap Up & Closing Activity

Write down the most valuable information heard and/or learned from today's workflow session.
