Reaching far beyond our usual scope

Experts in giving and storing
vaccine but now with new purpose

LOVE

Experiences with COVID vaccine outreach led to new opportunities

Wed, Aug 31 at 9:07 AM

Are you still using the Vaccine Machine? Do you provide VFC or just private vaccines? Would you consider a campaign in Detroit?

Miss you

Continued outreach

Initial vaccines efforts led
to the desire to continue
to reach the community

Homeless Shelter
Hometown Parade
Farmer's Market
Community Movie Nights
School Flu Clinics
Senior Center Flu Clinics

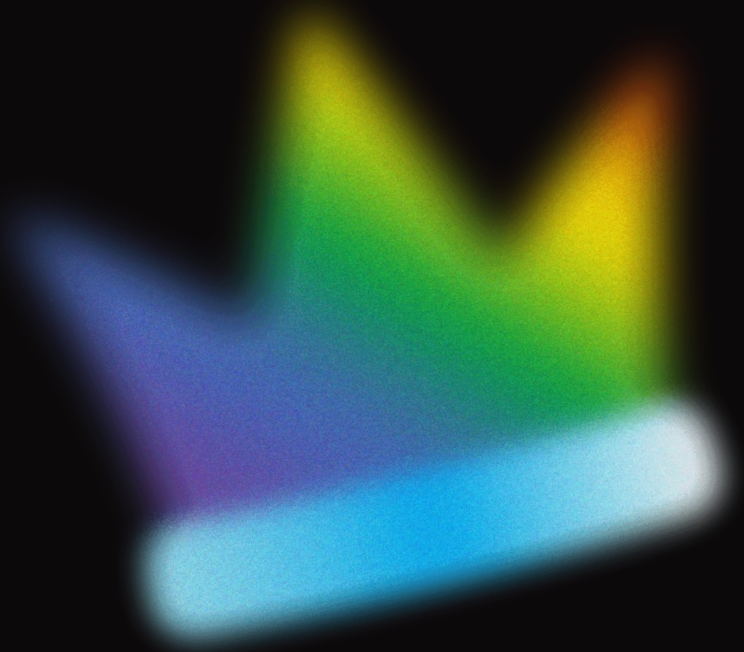

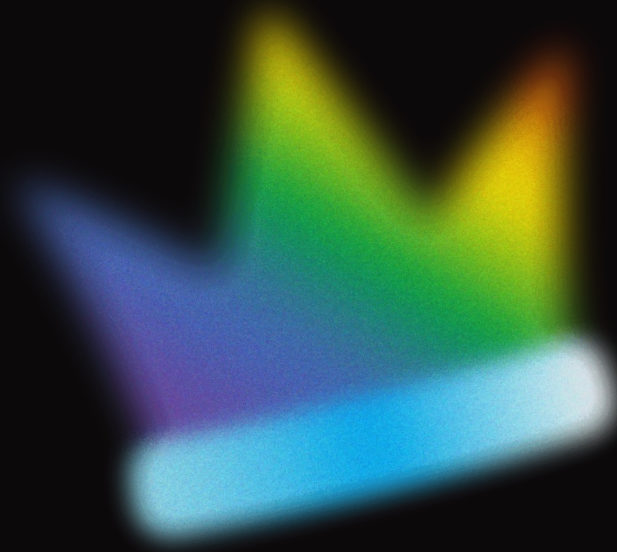

Magic Potion for Success

Autumn had a dream you ordered a Party bus 🚌 to take everyone to get their covid vaccines

I almost had an asthma attack laughing at the story

This is amazing

I'm proud of that dream!

I am going to ask Beth to poll the staff as to who will or won't get it if we had it
