

Encouraging Community Immunity

Sowing the Seeds for Successful Vaccine Clinics

Session Objectives

- Gain confidence in preparing for your next vaccine clinic and flu/COVID-19/RSV season
- Better understand the best practices of managing, administering, and billing vaccines in the PCC EHR
- Pollinate protection in your community!

We Will Discuss

Seeds to Weeds

- 
- Purchasing
 - Storage
 - Vaccine Configuration
 - Forecasting
 - Marketing
 - Recall
 - Refusals
 - Vaccine hesitancy
 - Scheduling
 - Pre Check In
 - Other Tips & Tricks
 - Enhancement Requests
 - Q & A
 - Demonstrations

Planning a Good Garden

- Storage is **everything** when it comes to being successful
- AAP offers suggestions for vaccine fridge and freezers
- Once received, follow the VFC (even if not a VFC practice/state) guidelines how to set up them up
- Using temp probes
 - **(CAUTION with wires through door seals)**
- Crowdsourcing on PCC Community!

Bad Weather Could Strike at Anytime

- What are your plans for loss of power?
- What if your fridge stops working?
- What if you go out of temp range?
- Does your office Insurance Plan cover this?

Planting Your Seeds

- Purchasing adequate supply
- The benefits of buying groups
- How fast is the estimated delivery?
- Be aware of order minimums

Germination

Configuration (what PCC does)

Configuration Best Practices (You)

- Vaccine Lot Manager
- Billing Configuration
 - The perils of annual NDCs

Your Essential Garden Tools

- Scheduling
- Pre Check In
- Forecasting via the Report Library
- Leveraging technology

WEEDS

- Refusals
- Bad reviews
- Policy for delays
 - Personal schedules vs the ACIP/CDC/AAP

Harvest Time

- Patient Recall
- Productivity Reporting
- Keep on top of billing
- Remember: vaccine clinics can be fun!

Keep Your Garden Flourishing

- Marketing
- Tips and Tricks from PCC and Clients
- Recall

Session Takeaways

1. Preparation is key
2. Be ready for bad weather
3. Plant those seeds
4. Yank those weeds
5. Help your seedlings flourish
6. Harvest a healthy crop of immunized children

Enhancement Requests

What do you need from PCC to successfully run your vaccine clinics?

**Please complete this course's
survey in the UC App**

Asking Questions:

Virtual attendees: Use the chat if you have a question that you want answered

In-person attendees: Go to the stationary microphone in your room.

**Thank you for all that you do
for your community
and children!**
